# POSTING OF WORKERS

TRANSPORT INDUSTRY: MACRON LAW

## RULES FOR POSTING OF WORKERS IN THE TRANSPORT INDUSTRY

Any employer established outside of France who posts employees on the French territory in the Road or Maritime Transport industry, must comply with the French social regulation in force. The employer must have a French representative to liaise with the French authorities and to keep and present mandatory documents in case of an inspection by the police or Labour Inspection, such as:

Payslip

Prior declaration of  
posting

Work contract

A1 Form

### PAY ATTENTION TO SANCTIONS

In the absence of a prior declaration of posting or a French representative, the employer risks a sanction of 3000 € per employee.

**So Truck** is a platform created by ASD Group which enables companies to easily manage online their mandatory formalities concerning posting of workers in the Transport industry in France.
