

VAT REFUND

EXPERT IN REIMBURSEMENT OF VAT IN EUROPE

HOW TO RECOVER A FOREIGN VAT IN EUROPE ?

All foreign companies established outside the European Union can in the application of community provisions, obtain under certain conditions a refund of VAT for expenses incurred in a Member State of the European Community.

International conventions and Directive 2008 / 9 EC of 12 February 2008 in EU set out the terms and conditions of VAT refund procedures and conditions.

Find out all the international conventions on the website of the tax administration for the country of reimbursement. Every country has its own procedures and conditions.
