

We are specialists in intra-Community trade and international formalities and have been supporting you for 20 years, offering customs, tax and social solutions.

TAILOR-MADE EXPERTISE

✓ Regulatory monitoring

Our technical departments identify new national and international regulations that affect your business.

✓ Compliance

We oversee your formal procedures to ensure compliance with applicable rules for each country, depending on your flows.

✓ Network of experts

Take advantage of our network of experts through our international offices.

✓ Innovative spirit

We develop our own software, to be able to offer you solutions to meet your needs.

ASD GROUP IN FIGURES

Network of 30 offices in Europe and worldwide

Over 5 million lines processed every year

6000 clients in industry, retail, e-commerce...

AREAS OF EXPERTISE

As a tax representative and agent, we handle all your VAT and international tax formalities.

As a registered customs agent, we can assist you with all types of customs operations as well as with filing your Exchange of Goods (DEB), Intrastat and European Service (DES) Declarations.

We manage employee mobility: employee posting, foreign company representatives, withholding tax, etc.
